

# VALLE PRADINHOS

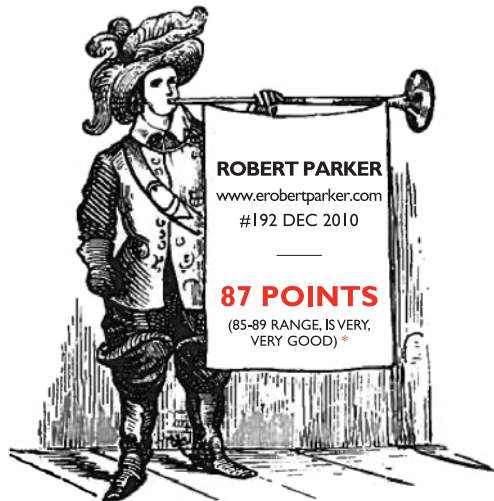

## 2006 TINTO

TRÁS-OS-MONTES

*...A bit sharper and more powerful than its Porta Velha sibling, fuller bodied and with a little more intensity of flavour... the Tinto's better depth makes it a well priced and a rather admirable offering...*

**87 POINTS**

(85-89 RANGE, IS VERY, VERY GOOD) \*

\* The Wine Advocate Rating System: ... "in the 85-89 range, is very, very good; many of the wines that fall into this range often are great values as well. I have many of these wines in my personal collection." [RobertParker]
